Skipper's Corner

It looks like we have a busy fall coming up with the NRG meeting, Model Soldier Show, Army/Navy Club and the Sultana Downrigging. For myself, I have actually managed to squeeze in some modeling this summer and made good progress on my Chesapeake buy boat. I hope you all have too.

Many thanks to Patricia Woodhouse and Chris Clark for the hosting the informal July discussion and focus group meeting at their home in Alexandria. Patricia gave a live lesson on uploading your photos to our Flickr image hosting account. Chris showed us some of his excellent car models and explained the use of foil in modeling bare metal surfaces.

See you at the next meeting.
